Around the world  
Around the world  
Around the world  
Around the world  
Around the world  
Around the world  
Around the world

Everyday we rocked a different nation,  
We did the best,  
They called it a sensation,  
We engaged the girls ,  
Around the world.

Around the world  
Around the world

So many times we've crossed the deepest oceans  
A super fan, conquered their emotions  
Man we showed them girls  
Around the world (yeah)

(CHORUS)

We've been around the world a million times,  
We've seen a lot of faces, flashes and lights ,  
Under the purple sky, Paris to Norderney,  
We've been around the world.  
US5 goes around the world

Around the world  
Around the world  
Around the world

Another night they've set their wheels in motion,  
They said our show is like some big explosion,  
They have never heard around the world.  
(Oh no yeah)

We gave our best and shared some special moments,  
The many fans to feel it gave us so much joy,  
We've had them around the world.  
(CHORUS)

We've been around the world a million times,  
We've seen a lot of faces, flashes and lights ,  
Under the purple sky, Paris to Norderney,  
We've been around the world.  
US5 goes around the world

London, New York, Milan,  
It goes around and round  
Tokyo, Berlin, Madrid

US5 goes around the world  
US5 goes around the world

Around the world  
Around the world  
Around the world  
Around the world  
Around the world  
Around the world

US5 goes around the world  
US5 goes around the world

(CHORUS 3x)

We've been around the world a million times,  
We've seen a lot of faces, flashes and lights ,  
Under the purple sky, Paris to Norderney,  
We've been around the world.
