Shorty you look like an angel  
I like the way that you move  
Be your body talking and I like it

I can see that you're staring  
You like the things that I do  
Would you go - I gotta know  
Can I get next to you yeah

Bridge

I've got the fever that you like  
Don't make me wait, the time is right  
Shorty you got me hypnotized  
Every night holdin' you tight

Chorus

Boom - I like the way that you move  
Come on over let's see  
Can I be the only one you need girl  
Boom - I like the way you get down  
Come let's turn it around, work it out  
Show you what i'm about- yeah yeah

...boom...get down...boom...let's turn it around...

Jay

Mommy you got me addicted  
With everything that you do  
With your sexy smilin' - got me trippin'

I got a real reminiscence  
And that's about me and you  
So come around and gettin' down  
Until my time is through yeah

Bridge

I've got the fever that you like

Don't make me wait, the time is right  
Shorty you got me hypnotized  
Every night holdin' you tight

Chorus

Boom - I like the way that you move  
Come on over let's see  
Can I be the only one you need girl  
Boom - I like the way you get down  
Come let's turn it around, work it out  
Show you what i'm about- yeah yeah

...boom...get down...boom...let's turn it around...

Come in baby girl  
Tell me what you feel  
Anything you want

Moving closer know  
Wanna hold you tight  
Coz you know I'll  
The one that you need  
So baby  
Come here to me

Chorus

Boom - I like the way that you move  
Come on over let's see  
Can I be the only one you need girl  
Boom - I like the way you get down (you got the favour

Come let's turn it around work it out  
Show you what i'm about - yeah yeah

Chorus

Boom - I like the way that you move
