Come back to me,
Just come back to me girl (yeah)
Come back to me

Girl I used to think it was ok
I don't know what I say
I need you in my life
The love we shared
You know it felt so strong
But I feel something's wrong
Girl I need you now

Bridge-Jay:

I don't wanna believe that it's over
I don't wanna believe this love is through
all I want is to look in your eyes
and be with you (oh yeah)

Chorus:

Come back to me baby
Come back cause I need you by my side
Come back to me baby
Cause I need you here

Verse2-Chris:

Now I'm praying for a better day
That we can find a way
To make this feelin last

Tell me why we have to be alone (alone)
How can we carry on (can we carry on)
With this pain inside oh girl

Come back to me baby (come back come back)
Come back cause I need you by my side
Come back to me baby
