Mikel:

Come back to me  
Just come back to me girl - yeah  
Come back to me

Richie:

Girl I used to think it was ok  
I dont know what I say  
I need you in my life  
The love is shared  
We know we felt so strong  
But I feel somethings wrong  
Girl I need you now

Jay:

I dont wanna believe that its over  
I dont wanna believe this love is new  
All I want is look in your eyes  
And be with you - Oh yeah

All:

Come back to me Baby  
Come back cause I need you by my side  
Come back to me Baby  
Cause I need you here

Chris:

Now I am praying for a better day  
That we can find a way  
To make this feeling last

Jay:

Tell me why we have to be alone (alone)  
How can we carry on  
(can we carry on?)  
with this pain inside  
(Oh Girl)

All:

Come back to me Baby (Come back, come back)  
Come back cause I need you by my side  
Come back to me Baby cause i need you here

(Oh Girl I need you here)  
Come back to me Baby (Come back, come back, come  
back)  
Come back cause I need you by my side  
Come back to me Baby cause I need you here  
(Tonight I'm gonna be with you)

All:  
Why can't you see  
My love is real  
If only I had you ãfÃ¬n my arms  
Please come back to me  
I make you feel  
The love that I have  
(that i have ohhhh yeahhh ohhh!)

All:  
Come back to me Baby (Come back, come back, come  
back)  
Come back cause I need you by my side  
Come back to me Baby cause i need you here

Mikel:  
Just come back to me (Come back, come back, come  
back)  
Just come back to me girl - yeah  
Come back to me

All:  
Cause I need you here

Richie:  
All:  
Come back to me Baby  
Come back cause I need you by my side  
Come back to me Baby  
Cause I need you here  
In me...
