Yeah, summer jam  
It's called Cruisin'  
This one goes out to all the summer lovers

Give it up for my ladies and pour some Baileys  
Livin' up to beat  
Got a cool situation  
We're cruisin' all night

Hey baby, how about some sunshine  
Take a walk through the flower fields  
I like the way it feels  
You really turn me on when we are together  
The feeling is oh so right, we're cruisin' all night

Give it up for my ladies and pour some Baileys  
Livin' up to beat  
Got a cool situation  
We're cruisin' all night

Summer love celebration  
Across the nation  
Livin' up to the beat  
It's a cool situation  
We're cruisin' all night

Hey baby, can I get your number  
Baby we'll go out tonight  
Spend a little time  
You're lighten up my world  
In any kind of weather  
The feeling is oh so right, we're cruisin' all night  
Cruisin', cruisin' all night long

Give it up for my ladies and pour some Baileys  
Livin' up to beat  
Got a cool situation  
We're cruisin' all night  
(Cruisin' all night long)

Summer love celebration  
Across the nation

Livin' up to the beat  
It's a cool situation  
We're cruisin' all night  
(Cruisin' all night long)

Relax your mind, let's take our time  
And make this a night to remember, girl  
This is your night, let's make it right  
Let's make it right, let's make it right

Now what we gonna do right here  
Is break it down just a little  
So why don't ya all clap your hands a bit  
Come on, help me out

Hey ladies, are you down tonight  
Yo fellas, are we down tonight  
Everybody are you down tonight
