[Hook:]

Give it up for my ladies and poor some baileys
Livin up to the beat
Gotta cool situation
We're cruisin all night, night

[Verse 1:]

Thank good it's almost friday night
No need to argue fuzz and fight
Don't want this magic to end, oh yeah

[Hook:]

Give it up for my ladies and poor some baileys
Livin up to the beat
Gotta cool situation
We're cruisin all night, night
Summer love celebration
Across the nation
Livin up to the beat
It's a cool situation
we're crusin all night, night

[Verse 2:]

Hey baby, how about some sunshines
Take a walk through flower fields
I like the way it feels
You really turn me on, when we are together
The feeling is oh so right, we're cruisin all night
Cruisin, cruisin all night long

[Hook:]

Give it up for my ladies and poor some baileys
Livin up to the beat
Gotta cool situation
We're cruisin all night, night
Summer love celebration
Across the nation
Livin up to the beat
It's a cool situation
we're cruisin all night, night

[C-Part:]

Relax your mind, let's take our time
And make this a night to remember girl
This is your night, let's make it right
Yeah Girl over and over

[Break:]

Now what we gonna do right here is a break it down
just a little
So why don't ya all clap your hands a bit, come on, help
me out
Here we go
Hey ladies are you down tonight, yo fellas, are we
down tonight
Everybody are you down tonight
Hey ladies are you down tonight, yo fellas, are we
down tonight
Everybody are you down tonight

[Hook:]

Give it up for my ladies and poor some baileys
Livin up to the beat
Gotta cool situation
We're cruisin all night, night
Summer love celebration
Across the nation
Livin up to the beat
It's a cool situation
we're cruisin all night, night
