### "I'm With You"

Somehow this is strong,  
Somehow I feel weak,  
The feelings that I feel inside are deep, oh girl  
We'll know that it's right, I'll call and I'll write  
And all we have to do is just hold on, hold on

And I believe you're an angel  
And I believe we'll have our time  
And I'll believe that you will stay forever the one, for me

Cause I'm with you girl, no matter where you are I'm  
there  
I'm with you girl, do you know I really care?  
All we have to part, I'll save my heart  
It's only for you  
There's nothing that I wouldn't do to prove, that I'm with  
you

I'll keep holding on, I'll keep you with me  
Forever I'm my heart you are the key, oh girl  
We have to live our lives, and this we can't deny  
Our love will stand the test of time, I know, I know

And I believe you're an angel  
And I believe we'll have our time  
And I'll believe that you will stay forever the one, for me

Cause I'm with you girl, no matter where you are I'm  
there  
I'm with you girl, do you know I really care?  
All we have to part, I'll save my heart  
It's only for you  
There's nothing that I wouldn't do to prove, that I'm with  
you

I will call you, I will write you,  
So you'll always know I care  
I will miss you, I will thank you  
The kiss of love will show I'm true  
All we have to part, I'll save my heart

It's only for you  
There's nothing that I wouldn't do to prove, I'm here  
with you...

Cause I'm with you girl  
I'm with you girl, Do you know I really care?  
All we have to part, I'll save my heart  
It's only for you  
There's nothing that I wouldn't do to prove, I'm with you
