Welcome to the club ya'll
I see ya shorty
Your lookin' naughty naughty

So we're back again for a funky ride
Ain't no stoppin' us 'cause we're down for life
US5's like dynamite and you know we got it right (all
right)
Give 'em somethin' hot for their appetite
Everybody's down for some real delight
I like the way you work
Your body close to me yeah

I wanna ride
So girl get up
All that you want
I can give it
I wanna work your body up and down

Everybody in the club let's party
All my fellaz grab a sexy shorty
All my girls looking naughty naughty
And we all go
Oh oh oh
Let's go
Everybody in the club let's party
All my fellaz grab a sexy shorty
All my girls looking naughty naughty
And we all go
Oh oh oh
Let's go

Step into the crib in the partyzone
All the sexy girls just came along
They're just so down with it
While we're bumpin' through the night (all night)
Got a freaky vibe feel it in the air
See the party people just everywhere
We like the way they work
Their bodies to the beat oh yeah

I wanna ride

So girl get up
All that you want
I can give it
I wanna work your body up and down

Everybody in the club let's party
All my fellaz grab a sexy shorty

All my girls looking naughty naughty
And we all go
Oh oh oh
Let's go
Everybody in the club let's party
All my fellaz grab a sexy shorty
All my girls looking naughty naughty
And we all go
Oh oh oh
Let's go

All my people join the party
Come on down and shake that body
We got something for the clubs so girls
Here we go just one more time
Girls go crazy for the disco
Boys are freakin' out so let's go
This is how we roll the party let's go
Welcome to the club

I wanna ride
So girl get up
All that you want
I can give it
I wanna work your body up and down

Everybody in the club let's party
All my fellaz grab a sexy shorty
All my girls looking naughty naughty
And we all go
Oh oh oh
Let's go
Everybody in the club let's party
All my fellaz grab a sexy shorty
All my girls looking naughty naughty
And we all go
Oh oh oh
Let's go

Everybody in the club let's party
All my fellaz grab a sexy shorty
All my girls looking naughty naughty
And we all go

Oh oh oh
Let's go
Everybody in the club let's party
All my fellaz grab a sexy shorty
All my girls looking naughty naughty
And we all go
Oh oh oh
Let's go
