[Richie:]

Now you say you're confused
You're looking to find
The right direction maybe
There's more to see in this life

[Mikel:]

You feel all alone, it's hard
To keep on holdin' on
Give the lord a chance
To make it all right

[Bridge A:]

He gave his life for our sins
For all of time, lose or win
Now and forever

[Chorus:]

Jesus always will love me
He'll always stand by my side
Jesus always will love me
And the truth I cannot deny

[Jay:]

You pray for some hope
You're wondering why
Sometimes it seems so crazy
Have faith and you'll be alright

[Chris:]

You're never alone, you'll find
The strenght to carry on
Through the darkest times
He'll show you the light

[Bridge B:]

And if a time will come that I should fall
I know that he will keep me standin' tall
Until my dyin' day
I'll dedicate my life to Jesus

[Chorus:]

Jesus always will love me
He'll always stand by my side
Jesus always will love me
And the truth I cannot deny

[C-Part (Mikel)]

And if a time will come that I should fall
I know that he will keep me standin' tall
Until my dyin' day
I'll dedicate my life to Jesus

[C-Part (All)]

[Chorus:]

Jesus always will love me
He'll always stand by my side
Jesus always will love me
And the truth I cannot deny
