I keep thinkin' about the things,
you told me yesterday,
and I wonder if we can go on?
Cuz you, think we don't have a future
And the other girl looks much cuter
Where did I go wrong?

You say that
I Did not do anything wrong
But he has the place where
your heart belongs
But If I didn't do anything wrong
Why can't we just keep movin' on?

Chorus :

Can we keep movin'? 4X
I got nothing left to say to you
And I'm wondering if you feel it too
So can we keep movin'?

Question, I'm flying around right now
Cuz I really don't know how
To leave you away
Can't imagine, what I'm gonna do
Without me next to you
I want you back home

You say that
I Did not do anything wrong
But he has the place where
your heart belongs
But If I didn't do anything wrong
Why can't we just keep movin' on?

Chorus :

Can we keep movin'? 4X
I got nothing left to say to you
And I'm wondering if you feel it too
So can we keep movin'?
