Chain call twice... bullshit
Up in this mother fucker...
No safety cut one in a...
My niggers in the... train ready to go
Bandon abandon money I demand it
My bitches been the baddest haters can't stand it
My name is... believe it whore
And I am about to go bigger on these niggers believe

watching the weather
Now I act a fool I'm loaded I'm getting better... I swear...
I try to stay away of these rats I'm getting cheese

[Chorus]

Got a mean kick back...
Everything getting killed in the aqua blue...
Every day I'm going in loaded to the max

It's so emotional so sensitive
Hold nigger fuck nigger... go nuts... make these pussy
