Lyrics:

Verse 1:

I can see it through your eyes
Like a tragic movie
Where I can look away
Now I don't know what to do
To make you forgive me
Baby tell me one day

Pre-Chorus:

Why can't you take me back
Why can't we forget the past
Tell me how to make you stay

Chorus:

For every time I hurt you girl with a lie
And everything I said to you made you cry
I wish I could take it
Turn it and change it
'Cuz I can't bring myself to look in your eyes
With everything I hid from you on the side
Girl I can't take it
It's too late to save it
I'm OUT OF TIME

Verse 2:

So tell me how it got to this
We seemed so happy
Now I can't even think straight
Yeah we've seen some better days
But it always turned out right

So lets start tonight

Pre-Chorus:

Why can't you take me back
Why can't we forget the past
Tell me how to make you stay

Chorus:

For every time I hurt you girl with a lie
And everything I said to you made you cry
I wish I could take it
Turn it and change it
'Cuz I can't bring myself to look in your eyes
With everything I hid from you on the side
Girl I can't take it
It's too late to save it
I'm OUT OF TIME

Bridge:

I can't go on
If you're not coming back
I gave my whole life away
Don't know what else I can say
To make you stay

Breakdown:

For every time I hurt you with a lie
And everything I said to you made you cry
I wish I could take it
Turn it and change it

Chorus:

For every time I hurt you girl with a lie
And everything I said to you made you cry
I wish I could take it
Turn it and change it
'Cuz I can't bring myself to look in your eyes
With everything I hid from you on the side
Girl I can't take it
It's too late to save it

Chorus:

For every time I hurt you girl with a lie
And everything I said to you made you cry
I wish I could take it
