I like the way you get down
when we're foolin around
makes me wanna get high
on you girl
there ain't nobody in town
who can spin me around
like the way that you're teasin me
Bridge

Ha ha ha ha your crazy games
drive me insane
but i don't wanna give up on you
Ha ha ha ha I can't complain
I play the same
Your body drives me crazy girl

Chorus

I can't get ya out of my mind
every time i close my eyes
see your face a thousand times yeah
I can't get ya out of my mind
there's a feeling deep inside
baby girl you put a spell on me

Girl how about if I said
meet ya late around ten
would you wanna hang out
with me girl

your bodys movin's so mad
makes me want you so bad how about for some privacy

Bridge

Ha ha ha ha your crazy games drive me insane

but i don't wanna give up on you
Ha ha ha ha I can't complain
I play the same
Your body drives me crazy girl

Chorus

I can't get ya out of my mind
every time i close my eyes

see your face a thousand times yeah
I can't get ya out of my mind
there's a feeling deep inside
baby girl you put a spell on me

can't get ya out of my mind
every time i close my eyes
can't get ya out of my mind
see your face a thousand times
can't get ya out of my mind
every time i close my eyes
can't get ya out of my mind
your body drives me crazy girl

Chorus

I can't get ya out of my mind
every time i close my eyes
see your face a thousand times yeah
I can't get ya out of my mind
there's a feeling deep inside
baby girl you put a spell on me
