The Rain

The rain Â...
YeahÂ... yeah uuh..

Let's go

Verse 1:

Looking through the mirror of my life
Thinking of the times when things were right
Is anybody there to hear my cry in lonely nights
I need someone to make the darkness turn to light

Bridge:

Seasons come and change
The memories remain
Tell me why you left me stranded in the rain
The rain yeah

Chours:

And I know I'll never see your face again
Why did god take away a perfect friend
I'm broken and flyin' without wings
[damn I need you here now]
What I'd give to bring you back into my life
Since you gone I can't seem to make it right
I'm broken and flyin' without wings

Verse 2:

Feeling like a child that lost its way
Nothing I can do to come back home
Sometimes I lay in bed and pray to god to make it end
But that won't change until I see your smile again

Bridge:

Seasons come and change
The memories remain
Tell me why you left me stranded in the rain
The rain yeah

Chours:

And I know I'll never see your face again

Why did god take away a perfect friend
I'm broken and flyin' without wings
[damn I need you here now]
What I'd give to bring you back into my life
Since you gone I can't seem to make it right
I'm broken and flyin' without wings

C-Part:

Baby I got lonely without ya
Everyday I'll be thinking about ya
Baby I got lonely without ya
Everyday I'll be thinking about ya

Chours:

And I know I'll never see your face again
Why did god take away a perfect friend
I'm broken and flyin' without wings
[damn I need you here now]
What I'd give to bring you back into my life
Since you gone I can't seem to make it right
I'm broken and flyin' without wings
