I'm an innocent victim, I'm just like you
We end up in the home units with a brick wall view
I can't beleive the perfect families on my color t.v.
If I don't make it to the top it'll never bother me

And I don't wanna be the one
And I don't wanna be the one

I'm an innocent bystander caught in the path
Waiting at the back while the corporate attack
Assaults the senses with relentless scenes of passion
and delight
I cut up all the options and went running for my life
