The Empire rings
The umpire's not laughing
The President's resented
The ambassador's a night club
You cannot get it out
It's stuff you cannot taste or see
It's stuff you cannot smell
It's stuff that's twenty times as hot
As the hottest stuff in hell
Harrisburg oh Harrisburg
The plant is melting down
The people out in Harrisburg
Are gettng out of town
And when this stuff gets in
You cannot get it out
The company said it would not blow
The government said it might
Harrisburg oh Harrisburg I wonder who is right
Who can leave it behind, the curtains are drawn
There's something I must say to you
You cannot get it out
