"Sell My Soul"

Let's begin, I am ready, let's begin

sell my soul to him

shed my skin, I just wanna shed my skin

I don't wanna sell my soul to him

mechanize, city bursts and farmers die

they cry

sleep face down in a goods train heading south in the
rain

In this world I often think you'd understand me

in these words I often think you'd recognise me

'cos I just wanna swim with the fish in the sea

and I want faith to heal so that I can be clean

Celebrate, I just want to celebrate

I'm not going to sell my soul to him

when you look right in
