We don't serve your country
Don't serve your king
Know your custom don't speak your tongue
White man came took everyone
We don't server your country
Don't serve your king
White man listen to the songs we sing
White man came took everything
We carry in our hearts the true country
And that cannot be stolen
We follow in the steps of our ancestry
And that cannot be broken
We don't serve your country
Don't serve your king
Know your custom don't speak your tongue
White man came took everyone
We don't need protection
Don't need your land
Keep your promise on where we stand
We will listen we'll understand
We carry in our hearts the true country

And that cannot be stolen

We follow in the steps of our ancestry

And that cannot be broken

We carry in our hearts the true country

And that cannot be stolen

We follow in the steps of our ancestry

And that cannot be broken

Mining companies, pastoral companies

Uranium companies

Collected companies

Got more right than people

Got more say than people

Forty thousand years can make a difference to the
state

of things

The dead heart lives here
