Curly:

When I take you out tonight with me  
Honey, here's the way it's gonna be  
You will set behind a team of snow-white horses  
In the slickest gig you'll ever see.  
Chicks and ducks and geese better scurry  
When I take you out in the surrey  
When I take you out in the surrey with the fringe on top  
Watch that fringe an' see how it flutters  
When I drive them high-steppin' strutters  
Nosy pokes will peak through their shutters and their  
eyes will pop!  
The wheels are yellow, the upholstery's brown  
The dashboard's genuine leather.  
With eisenglass curtains you can roll right down  
In case there's a change in the weather  
Two bright side-lights winkin' and blinkin'

Fer that shiny little surry with the fringe on the top

Curly:

One's like snow, the other's more like milk.  
All the world'll fly in a flurry  
When I take you out in the surry  
When I take you out in the surry with the fringe on top.  
When we hit that road, hell-for-leather  
Cats and dogs will dance in the heather  
Birds and frogs'll sing all together and the toads will  
hop!  
The wind'll whistle as we rattle along,  
The cows'll moo in the clover  
The river will ripple out a whispered song,  
And whisper it over and over  
Don't you wish you'd go on forever  
Don't you wish you'd go on forever

Don't you wish you'd go on forever  
And you'd never stop?  
In that shiny little surry
