Dirty imitation is a rotten vacation
I can't figure out this this line
Bored sick in a spoon shot it up?
I'm the last of the true
Sidney, John Beverly, Simon Ritche
Zillion mile away, did it my way yesterday.

Then everyone started using you, just because they
were just so jelouse of you.
Now there throwin tomatoes at you, you're the last of
the true.

Sidney, John Beverly, Simon Ritche
Zillion mile away, did it my way yesterday.

Zillion miles away
Zillion miles away
