Tin soldiers fought for what we got and now it's lost  
Spirits of two hundred years gets laundrod in the  
wash  
The keepers of the key have lied to you  
They lied to me, millions died for a color?d cloth on a  
pole knee deep

Children fight so buerocrats can have a seat  
Inflations up the dollars down war means economy  
He?s digging for the gold he wears a flag upon his  
sleeve  
Bible in his hand

Lavish the oil in the middle east  
Ousted, ousted, ousted, ousted

Ya don?t believe ya don?t, it's dungary, it's dungary to  
talk  
Ya don?t believe it's dungary [unverified]

Bloody rag torn to shreds  
Bloody rag millions dead  
Bloody rag, a bloody rag
