Quiet knocks on the front door
Delivery eat the liver
Pizzas for the stocking killer
Feed it to the head in the freezer

Ravaging inside the trash
They're all on speed
Place your bets the worms crawl in
My bodies in the grave

Shouting in my rooms no good
I won't be saved
Take the handcuffs off me now
I smoke in chains

No, no, no, no, no, not again
No, no, no, no, no, not again
(Skip one)
Not again
No, no, no, no, no, not again
(Skip one)

Deep sleep ain't what it used to be
Place your guns onto the bar and keep me company
Eyes as black as frying pans and wilmas on T.V.
Billy Ruebens burns the blood don't move it stings

New killer
New killer
New killers, yeah
No, no, no, no, no, not again, yes again
