You have the slightest idea what a moral and ethical principle is? Do you!

Don't hurt me.
I'm not going to hurt you.
Stay away from me!
Wendy!
Stay away!
Darling.
Light of my life.
I'm not going to hurt you.
You didn't let me finish my sentence.
I said, "I'm not going to hurt you."
I'm just going to bash your brains in.
I'm going to bash them right the fuck in.

Has it ever occurred to you what would happen to my future if I fail to live up to my responsibilities?
Has it!

That I would hurt you?

Has it ever occurred to you what would happen to my future if I fail to live up to my responsibilities?
Has it!

Has it! Has it! Has it! Has it!

You have the slightest idea what a moral and ethical principal is? Do you!

That I would hurt you?

You have the slightest idea what a moral and ethical principal is? Do you!

Has it ever occurred to you what would happen to my future if I fail to live up to my responsibilities?
Has it!
