

U.S.D.A. "Goodbye To You"

From the way that you acted
To the way that I felt it
It wasn't worth my time
And now it's sad cause all I missed
Wasn't that good to begin with
And now that I've started you begging
Saying things that you don't mean
It isn't worth my time
A line's a dime a million times
And I'm about to see all of them

Goodbye to you, goodbye to you, you're taking up my
time [x3]
Goodbye to you, goodbye to you

You call my name when I wake up
To see things go your way
I'm coughing up my time
Each drag's a drop of blood a grain
A minute of my life
It's all I've got just to stay down
Why the fuck am I still down
I'm hoarding all that's mine
Each time I let just one slip by
I'm wasting what is mine

Goodbye to you, goodbye to you, you're taking up my
time [x3]
Goodbye to you, goodbye to you

My time [x3]

I'm about to see a million things
I thought I'd never see before and I
I'm about to do all of the things
I've dreamed of and
I don't even miss you at all
[x2]

Goodbye to you, goodbye to you, you're taking up my
time [x7]

Goodbye to you, goodbye to you
