I never woulda dreamed in a million years I'd see
So many motherfuckin' people, who feel like me
Who share the same views and the same exact beliefs
It's like a fuckin' army marchin' in back of me

Like a fuckin' fuckin' army

So many lives I touched, so much anger aimed

So much anger aimed

Anger (x?)

It's like a fuckin' army marchin' in back of me

I never woulda dreamed in a million years I'd see
So many motherfuckin' people, who feel like me
Who share the same views and the same exact beliefs
It's like a fuckin' army marchin' in back of me

So many lives I touched, so much anger aimed

So much anger

Anger (x?)

I never woulda dreamed in a million years I'd see
So many motherfuckin' people, who feel like me
Who share the same views and the same exact beliefs
It's like a fuckin' army marchin' in back of me
So many lives I touched, so much anger aimed
In no particular direction, just sprays and sprays
And straight through your radio waves, it plays and
plays
'Til it stays stuck in your head, for days and days (x2)
