If you're in a band  
Or if you're an artist out there  
Don't give up on your dreams  
Just keep fighting  
And your dreams will come true someday  
Were The Used from Orem, Utah  
And this song is calles Say Days Ago  
I still remember a year ago  
the times we spent  
I think that I'm happier no  
up from the down  
by all means  
it's strange cause i feel the same way  
I think of what it looks like  
I think of what it taste like  
I think of what it looks like  
I think of what it taste like  
same strange  
it's strange cause I feel the same  
same strange  
it's strange cause I feel the same  
still remember what it taste like  
makes me ill, me ill  
I think of what it looks like  
I think of what it taste like  
I think of what it looks like  
I think of what it taste like  
it's strange cause i feel the same  
it's strange cause i feel the same  
(bert:)  
same strange  
it's strange cause i feel the same  
same strange  
I cant still remember what it taste like  
(( background))  
still remember what it taste like, what it felt like  
Let me see your fucking hands in the air Los Angeles  
Thank you  
makes, makes me ill  
makes me ill  
makes me, makes me

makes me ill  
makes me ill  
makes me, makes me ill  
makes me  
((background))  
I still remember what it felt like, what it taste like  
makes  
We are the used! (repeat 10 times)
