Can I put my hands in in your pants?
Girl I'm just playing but what you saying?
Wa-wa-wa-why you looking him?
I can do it better
Ah ah ah ah I can do it better
I can do it better
I can do it better
Girl give me a chance

Give me 2 seconds then I'm taking you home
(Taking me home)
Girl I can guarantee you'll take off all of your clothes
(Take off my clothes)
All I need is 2 seconds
(That's it?)
2 seconds
(That's it?)
2 seconds then I'm taking you home

Give me 2 seconds just to show you what's up
(Show me what's up)
Why you talking out you neck
Like you done been here before
I'll be done in 2 seconds
(Yeah right)
2 seconds
(Yeah right)
2 seconds you keep running your mouth

So what we gonna do when we get there?
(What do you mean? That were gonna do that there?)
What do you mean we're gonna be doing that there?
(Girl you already knew before you came here)
You a nasty boy
You a nasty boy
You a nasty boy you better stop there
Get your mind out the gutter
Get your mind out the gutter
Get your mind out the gutter while I drop that

Put your hands in my pants

Hope you get a handful
Cuz you won't get nothing back
Wa-wa-wa-why you looking at me
I don't want you
Lemme show it to you what I wanna do
Why you looking at me? I don't want you
You don't stand a chance!

Give me 2 seconds then I'm taking you home
(Taking me home)
Girl I can guarantee you'll take off all of your clothes
(Take off my clothes)
All I need is 2 seconds
(That's it?)
2 seconds
(That's it?)
2 seconds then I'm taking you home

Give me 2 seconds just to show you what's up

2 seconds
(And I'm taking you)
2 sec
2 seconds
(And I'm taking you)
2 seconds
2 seconds
(And I'm taking you home)
2 seconds
2 seconds
(And I'm taking you home)
