CHANTELLE

Night of my life
Woke up with glitter in both my eyes
I lost one shoe, where's my hat
Not my phone gotta give that back
At work thinking bout the night I had
Boss man won't cut me no slack
Sent me home without my check
Tell me where they do that at

PIERRE

Oh whenever, wherever, Whatever I do
The party will come the party will go
Whatever, whatever, whatever you like
Whatever you need, you got it tonight
(Oh) you got it tonight (whoaoo), you got it tonight
(whoaoo)
Whatever, whatever, whatever you like
Whatever you need, you got it tonight

(Chorus) ALL

It started with one wave hi, and a bad goodbye
Hard to be so sad when I'm having. The Best Damn
Night
Lost my keys, and I'm locked outside
Got nowhere to crash, but I'm having. The Best
Damn Night
Night (aih aih) of my Life (ah, aih ite)
(ah ah ah) I'm having the Best Damn
Night (aih aih) of my Life (ah, aih ite)
(ah ah ah) I'm having the Best Damn Night

PIERRE

Almost daylight, should be snoring
Dance floor packed and the speakers roaring
Cup half empty, not done pouring
Dance floor packed and the speakers

We goin' dance till we can't no more
Hands in the air till our arms get sore
Sweat till about 3 in the morning
Lights on and everybody yawning
(ooh) You got it tonight (whoaaaa)
You got it tonight (whoaaa)
Whatever, whatever, whatever you like
Whatever you need, you got it tonight

(Chorus) ALL

It started with one wave hi, and a bad goodbye
Hard to be so sad when I'm havingâ€¦. The Best Damn

Lost my keys, and I'm locked outside
