You make me wonder
If I ever knew love
Cos your kiss is the answer
To the questions on my tongue

You make me wonder
If I Never knew love
What was I feeling?
Lying in his arms

Ohâ€¦. x 4

Chorus:
Guess what I heard in my head was a warning
I knew better when I wasn't upset
Cos you weren't home in the morning
Guess what I felt in my chest wasn't heartbreak
Tiny shivers, tiny quivers and tremors and nothing to
do with heartache
It was an earthquake
Shake - shaking me up
Break - breaking me up
It was an earthquake
Wake - waking me up to love
Waking me up to us

Ohâ€¦. x 4

You make me wonder
Why you're all that I think of
Is it all for no reason?
Especially because
You make me wonder
After everything I've done
Could there be any reason
I'm right back to square one.
Ohâ€¦. x 4

Chorus:
Guess what I heard in my head was a warning
I knew better when I wasn't upset

Cos you weren't home in the morning
Guess what I felt in my chest wasn't heartbreak
Tiny shivers, tiny quivers and tremors and nothing to
do with heartache
It was an earthquake
Shake - shaking me up
Break - breaking me up
It was an earthquake
Wake - waking me up to us

Yes - yeah, yeah
If we can make it work tell me how
Yeah, yeah
Cos it's all coming back to me now
And if you think we should be together
Would you promise me we won't come crashing down
Oh€¦...

Chorus:
Guess what I heard in my head was a warning
I knew better when I wasn't upset
Cos you weren't home in the morning
Guess what I felt in my chest wasn't heartbreak
Tiny shivers, tiny quivers and tremors and nothing to
do with heartache
It was an earthquake
Shake - shaking me up
Break - breaking me up
It was an earthquake
Wake - waking me up to love
Waking me up to love

Oh€¦. x 4
Oh€¦. x 4
