But not a word do you say  
You won't even look my way  
Boy, I'm spending my dimes, wasting  
My time, talking till I'm black and blue  
Ah, can't you see I wanna get next to you  
Dreams of you and I go sailing by  
Whenever your eyes meet mine  
(You're so fine)  
And boy you make me feel so insecure  
You're so beautiful and pure,  
Why must you be unkind  
(And tell me I'm not your kind, blowin my mind)  
Boy, my, my money is low and I know  
That I can't take you to the  
Fancy places you might wanna go  
Still I wanna get next to you  
I wanna get next to you  
Boy, you can bend me, shake me, make me  
Whatever it takes to please you  
I'm willing to do  
'Cause you're my dream come true

And I wanna get next to you

I wanna get next to you

I wanna make you mine (for all the time)

I wanna get next to you

I promise I'll never make you blue

I wanna get next to you

I wanna get next to you
