Chorus One: MB^2

We'll never part (through) sickness and health (health)  
You are my heart -- I love you more than I love myself  
(Yeahayyeahh) But in the middle of the night  
I heard you cryin in your sleep it'll be alright  
I'll be there for you (just for you)  
if you tell me all your secrets  
Yet in the middle of the night  
I heard you cryin in your sleep I held you tight  
I'll be there for you (youuoooooh)  
if you tell me all your secrets

[Canibus]

Aiyyo, boy meets girl, boy really likes her  
Boy loses contact with girl but he finds her  
Girl has no clue that boy is a liar, and he has no honor  
So she dates him regardless, cause she thought he  
was harmless  
And he had her believin he was the man she wanted  
to spend the rest of her life with -- the words "I love  
you"  
are priceless, unpredictable like rollin dice is  
None-the-less, inspite of the frightenin repercussions  
you might get, people still risk they necks  
Of course it's nice, the feelin of courtship, roses and  
stuff  
Women never get it often enough  
And the reason people love they mother so much  
besides the fact she carried you for nine months, is  
trust  
It's a five letter word, that should only occur between  
him and her  
before the bees and the birds (WORD!)

Chorus One

[Canibus]

Aiyyo I heard a soft moan in the middle of March  
Then I felt a powerful force push me forward like a dart  
On your mark, get set, GO!

I was off, flagella was my propellor wigglin back and forth  
Then I set a course for the border  
Mother Nature's karma callin me to the rock of Gibraltar  
The competition tried to be smart, but I was smarter  
My competitors were swimmin fast, so I swam harder  
Submerged in water, prayin to my heavenly father  
If I don't make it through I'm a goner  
Screamin out "Death before dishonor,"  
Because I'm awesomely stronger, my stamina last longer  
I was destined to be a son instead of a daughter  
XY is the male chromosomal order  
One'll stay alive, and survive, the rest'll be dead  
Cause I'ma be the one to fertilize that egg {echoes}

Chorus Two: MB^2

In the middle of the night  
I heard you cryin in your sleep I held you tight  
I'll be there for you..  
if you tell me all your secrets

[Canibus]

Aiyyo mommy I'm up in your stomach, buggin  
Whenever you rub it, I love it  
Like a comforters covers you warm as a oven  
Your husband -- stubborn, how can you love him?  
Smokin cigarettes by the dozen when he knows that I'm comin  
Bad move, you hopin that daddy improves  
Knowin in your heart that's bull, because he's too cruel  
You've been abused, used, you've got, wounds and scars  
Think with your mind not with your heart, let's go to grandma's  
Terminate the lease, call the landlord  
Give your job two weeks notice, pack up the car, and go to New York  
What part? They got a little borough called The Bronx, Mom..  
And I heard that's where hip-hop is gonna start  
Hell yeah! I think we need to be right there  
Four months in your stomach and I already chose a career  
When you cry, I hear, and I wish I could dry your tears  
but I can't cause I'm stuck in here  
Five months from bein able to lay against your chest  
I can't even hold you in my arms, cause they ain't developed yet

But I swear to you, as to God's Almighty Truth  
I'ma be there for you.. I'ma be there for you..
