

Useless I.D. "Eveything Turned Red"

Visit "[Eveything Turned Red](#)" on MotoLyrics.com

I am still waiting
For one happy ending
I take back the secret
I want you to know
Bright lights and dark screens
won't save the last scene
Maybe next time I see you won't be in my dreams

I wish that I had a chance to get to know you
Eveything turned red the first time I saw you

Full of affection
To get your attention
You read me your lines
Then I gave you this song
You messed up this one
I better move on
When it seems like we're heading in our seperate ways

I wish that I had a chance to get to know you
Eveything turned red the first time I saw you
