

Useless I.D. "Far From Distance"

never really thought you'd come
you did, a line torn right between us
repeated glance in your eyes
can't stand it, soon i'm going on

so for now i know as far as friendship goes
love goes really bad with pressure
in two months i'm gone, i'll be writing you a lot
hoping it will get through to you

the story ended here, a new one comes in clear
i never thought you'd win my best hand
ace of hearts i fold, this win is truly yours
i hope you understand

it means a lot the soft words
you've left with me after the show

wish you could've stayed some more
you're great too bad you had to go

for now i know as far as friendship goes
love goes really bad with pressure
in two months i'm gone, i'll be writing you a lot
hoping that i'll come back to you

the story ended here, a new one comes in clear
i never thought you'd win my best hand
ace of hearts i fold, this win is truly yours
i hope you understand

now one year later
she's ok, is it over
aging love never gone
maybe one explanation
