yesterday i called you up
instead of a date i got turned down
it's been a while and nothing new
a hard time searching for that true and never ending
love
it's time i gave it up

no time for me to be a teenager
these games are not worth going back there for
i'm out of broken hearts to give to you
i guess i'll save them all for someone new

opportunity exists

you're taking advantage of the risk
this next journey starts alone
till i get her i'll be gone and away
you won't hear from me

no time for me to be a teenager
these games are not worth going back there for
i'm out of broken hearts to give to you
i guess i'll save them all for someone new

no time for me to be a teen
no time for me to be a teenager
