We'll just keep on laughing at our broken dream  
in our empty homes its too late for some,  
its too late for me its too late  
goodbye  
of course you waste you time here but it is your choice  
I offer you to stay,  
its not too late for you its not too late for them,  
its not too late goodbye!

Now you know everyone is alone and the longer you  
stay,  
the more, the more you wanna go  
and I'll just keep on laughing at your broken dream,  
in your empty home its not too late for you,  
was not too late for me its not too late goodbye!
