The happiest day of the year has come around again.
Maybe tonight I'm bound to find my long awaited
friend.

She's waiting there,
the falling star where wishes don't come true.
It's too bad that I got no plan and wonder what I can
possibly do.

It's done once again.
Will anyone care to end
the worst holiday I've ever had in years?

You thought about another chance that didn't make it
through,
because of what the bad scene has made out of you.
Can't stand to see another smile the next time she's
around.
I'll lend her all my feelings for a day.
How does it sound?
So cruel.

It's done once again.
Will anyone care to end
the worst holiday I've ever had?

It's so clear, it's the worst holiday I've ever had.

{starting quiet, getting louder with each line}
It's the worst holiday I've ever had.
It's the worst holiday I've ever had.
It's the worst holiday I've ever had.
It's the worst holiday I've ever had.

Ohhhh...When you want to break out...
Ohhhh...When you want to break out...
Break Out!

Do you remember when
No one was wondering?
Why I was sad on this holiday?
