They say you' re never gonna make it, you don't know
how, don't know how
If I' m a different generation you cant see what' s its all
about
If I take you down to a place I left behind, would it make
you understand?

Let's go!

I say, it doesn't really matter when you're all grown up,
all grown up
As long as you know where your heart is, don't be
scared, let it out!

If I take you down to a place I left behind, would it make
you understand?

Can you hear the pirate radio? Turn it up, the sound, of
revolution come on!
Play it loud and steal the air while you can, 'cause were
going back in time.
Can you hear the pirate radio? Turn it up, the sound, of
revolution come on!
Play it loud and steal the air while you can, 'cause were
going back in time.

They say you're living in a dream-world you better
wake up, better wake up
Sometimes I rather stay asleep
If I take you down to a place I left behind, would it make
you understand?

Can you hear the pirate radio? Turn it up, the sound, of
revolution come on!
Play it loud and steal the air while you can, 'cause were
going back in time.
Can you hear the pirate radio? Turn it up, the sound, of
revolution come on!
Play it loud and steal the air while you can, 'cause were
going back in time.
(bridge)

I know where I belong,
Miles away from here
Hope I see you there

Can you hear the pirate radio? (ohoo)
Can you hear the pirate radio? (ohoo)

Can you hear the pirate radio? Turn it up, the sound, of
revolution come on!
Play it loud and steal the air while you can, 'cause were
going back in time.
Can you hear the pirate radio? turn it up They say you'
re never gonna make it

Can you hear the pirate radio? turn it up ,They say you'
re never gonna make it

Can you hear the pirate radio? turn it up, They say you'
re never gonna make it

Can you hear the pirate radio? turn it up
