

Useless I.D. "Working Jerk"

Visit "[Working Jerk](#)" on MotoLyrics.com

i tried the honestly routine
now that my life is clean of all the ones that didn't
mean
nothing more than just a thought i had in mind
of all this wasted time when all this waiting seems like
a crime

how come we want some things too hard to get with
true feelings
satisfaction through attraction doesn't compare to the
real thing
when it's all a game
another weekend was a blast
too bad it had to end so fast, i'm back to normal life
nine to five for me has changed to waking up too late
my day is gone, i can just hope for a better tomorrow

endless phone calls answers no one, work has killed
my best friends
one closed window to be open someday soon,
i hope i'll be here to enjoy the rest
