Shot down again  
Another life thrown to the wayside on a basis of their  
gender  
And we've come so far  
And all I see is the blank eyes that are ready to  
surrender

Well it's up to me, It's up to you  
To see this through  
And it can't wait for tomorrow  
Well it's up to me, It's up to you  
To see this through  
Freedom's granted it's not borrowed

And another church  
Tells us that we are inferior to gods and men and  
slaves  
And we're not to blame  
'Cause we are the foundation of a better life today

Well it's up to me, It's up to you  
To see this through  
And it can't wait for tomorrow  
Well it's up to me, It's up to you  
To see this through  
Freedom's granted it's not borrowed

(It is up to you to see it through)  
(It is up to you to see it through)

It's up to me, It's up to you  
To see this through  
And it can't wait for tomorrow  
Well it's up to me, It's up to you  
To see this through  
Freedom's granted it's not borrowed  
Well it's up to me, It's up to you  
To see this through  
And it can't wait for tomorrow  
Well it's up to me, It's up to you  
To this through

Freedom's granted it's not borrowed  
To see this through
