Uh huh uh huh huh huh huh huh ...  
Uh huh uh huh huh huh huh huh huh ...

So you want, you want, you want to be mine  
I can see it in your eyes  
You giving me the sign  
So you want, you want, you want to be mine  
You can talk to the preacher  
Girl, and that'll be fine

--Chorus--  
Uh huh uh huh...  
That's the way a wamon is  
Uh huh uh huh...  
That's the way it is  
Uh huh...  
That's the way a wamon is  
Uh huh...  
That's the way it is  
-----

So you want, you want, you want to do that  
Sleep in the leaves and roll in the grass  
So you want, you want, you want to do that  
We can stop in the medow once we're half the way back

--Chorus--

So you want, you want, you want to be free now  
Running like a winner, girl, doing what you please  
So you want, you want, you want to be free  
Turn yourself around; you will be released

Uh huh uh huh huh huh huh huh huh ...  
Uh huh uh huh huh huh huh huh huh ...

So you want, you want, you want to step out  
Well, I believe I understand waht you're talking about  
'Cause you got, you got, you got to be his  
Didn't I say that's the way woman is

That's the way a wamon is  
Uh huh...  
That's the way it is  
Uh huh...  
That's the way a wamon is  
Uh huh...  
That's the way it is
