Marie  
a won't ya just listen to me

Marie  
I'm beggin' upon my bended knees.  
If you mistrust me just wait an' see

All I want to give you is security !  
Marie  
Marie  
you're my symphony -  
Marie  
Marie  
my boogie melodie

Marie  
Marie  
you're my destiny  
Marie  
Marie  
through eternity.  
Our love-lights waiting for you an' me.  
Marie  
Marie  
oh! Baby can't you see.  
Tonight  
the stars are shining oh so bright  
And Marie  
they're shining just for you an' me  
Here I am waitin' for you desperately

Marie  
I'll hold you so tenderly.  
Marie  
Marie  
you're my symphony - . . .  
Marie  
Marie  
you're my symphony - . . .
