Erase the human race

All u do

It's nothing

A big mistake

The human race

All u do

It's nothing

A big mistake

The human race

Erase the human race

All u do

It's nothing

A big mistake

The human race

A school of fakes

You're nothing

But an escape

But she don't need much of anyone

He don't please just everyone

He don't trust them

He don't trust her

But she's not free to love anyone

And he won't believe just everyone

He don't trust them

He don't her

Erase

The human race

But he can't forget about what they done

But she won't feed her weakest one

She don't trust him

He don't trust her

But he won't fight for just everyone

She won't breed with just anyone

They can't trust them

He don't trust her

She dont trust him  
He don't trust her
