Before you tell me  
that you love me like I do  
I need to tell you  
that I've had a major chapter  
I've had a habit  
That's someone laughing my face  
But this is heaven  
and I need you here to stay

Isn't it fabulous  
Isn't it marvellous  
Sanity I've found  
In this magic sign  
Isn't it magic  
Isn't it magic  
What I've found

I know I haven't been  
the beauty in your eyes  
But I will tell you that you  
are the holy one

You are the empire  
You are really divine  
So, please tell me that  
you are my magic sign.

Isn't it fabulous  
Isn't it marvellous  
Sanity I've found  
In this magic sign  
Isn't it magic  
Isn't it magic  
What I've found

Before I tell you  
that I love you like I do  
I need to tell you  
that I've had a major chapter  
I've had a habit

Isn't it fabulous
