Verse1:

Black and white
It's only a name
Exterminate the unworthy state
The tiger lies as the elephant waits
The target now
The palace gates.

Her silent gaze it will etch my heart
With a silicone chip
It will wind me wind me up
Wind this

Chorus:

Take away all my freedom
Take away all my freedom
It's wasting away
The suit is right
In a jumpsuit fame
In a cooped up cage
Is where they taste the rain
Taste the rain
Taste it.

Chorus:

Take away all my freedom
Take away all my freedom
It's wasting away
Take away all my freedom
Take away all my freedom
It's wasting away (Repeat 3)

Take it away its wasted all the way
