I think she thinks too much,
She just won't lose control
She has an appetite for suckin on my toes
She wants to make it up
I just can't let her go

Oh ya
She's never satisfied

I try to make it up she says I'm much too slow
She swallows all my time I just can't keep her down
She want's to play with guns, she uses mind control
Oh ya
She's never satisfied
Year of the CRUNCH x2
Couldn't get enough
Year of the CRUNCH
Let's goÃ¢Â€Â¡.

Year of the CRUNCH x2
Wanted it all
Year of the CRUNCH

She's never satisfied x2
She's never

She's never satisfied
