what are you gonna do when you grow weak inside
what are you gonna do when everything is wrong
you can't handle it right sometimes
but that don't stop you if you're strong

be yourself no matter what they say to you
don't think about them when you are higher up
I know you wanna be someone
and you can be it if you're strong

(Chorus)
You can not hide
go on and say what you want
do feel alive
tell me what's on you're mind

keep on dreamin till you find the dream you want
keep on flying higher till you see the stars
it ain't impossible for you
cause everyone is what they want

(Chorus)
You can not hide
go on and say what you want
do feel alive
tell my whats on you're mind

what are you gonna do when you grow weak inside
what are you gonna do when everything is wrong
I know you wanna be someone
and you can be it if you're strong

(Chorus)
You can not hide
go on and say what you want
do feel alive
tell me whats on you're mind

(Chorus)
You can not hide
go on and say what you want

do feel alive
tell me whats on you're mind
