- Opened all my letter  
Terrorized my friends  
Pushed me to the limit  
Justifies the end

Open wide  
This can't be real  
Don't look up  
U been erased  
Don't look back  
U can't escape  
Don't give up  
This aint no game

Was their any doubt  
That I could've punch u out  
U never ever had a chance  
U never ever had a chance  
To chance to attack  
A chance to repent  
A chance to offend  
A chance to relax

Open wide  
U can't escape  
Don't give up  
This aint any game

Never gonna last 2x

Closer to the mirror  
Evaporate the edge  
Back into the image  
Pressurized to shreds.

Was their ever any doubt  
That I could've punched u out  
U never ever had a chance  
U never ever had  
A chance to attack  
A chance to repent  
A chance to offend

A chance to relax  
Rise  
Never gonna last  
Can never see the point  
Tearing of the mask  
Closer to edge  
Never gonna end
