Everybody can feel like you do
Drowning in sorrow
Helpless like a child
If I could have seen
If I wasn't weak
I wouldn't say I'm sorry
Wishing you would be
Wishing you would be

Another sadly story
I guess that's only on TV

Chorus:
If only I could turn back the time
To were it began
I wouldn't break your heart again
I wouldn't bring you all the pain

But trust me when I'm saying
I'm losing all my dreams
I know what I've done
I know I was wrong
But I'm holding on tomorrow
Wishing you would be
Wishing you would be

Chorus:
If only I could turn back the time
To were it began
I wouldn't break your heart again
I wouldn't bring you all the pain

(If only I could)
I've been crying out your name
I've been losing one more game
Please forgive me is all I can say
All I can say..
(If only I could.. x2)

Another sadly story
I guess that's only on TV

Chorus:

If only I could turn back the time
To were it began
I wouldn't break your heart again
I wouldn't bring you all the pain

I've been crying out your name
I've been losing one more game
Please forgive me is all I can say
All I can say to you..
