Look up in the sky
Those things are real
Look up in your mind
Those stiletto heels

Nation of prisons 3x

Hooked up to your mind
The aluminum feed
Straight down from the sky
Your mouth diseased

Nation of prisons 3x

I give up
I can't spend my time
Or light another cigarette
I can't help it
I'm just another guy
I give up
I guess I will just
See u around
Or light another cigarette
I can't help it
I'm just another guy 2x
Nation of prisons 5x
Filling up like I knew they would
Nation of prisons
Filling up like I knew they would
