If love was a bird then we wouldn't have wings  
If love was a sky we'd be blue  
If love was a choir than we could never sing  
'cause love isn't for me and you  
If love was an Oscar, you and I could never win  
'Cause we could never act out our parts  
If love is the Bible then we are lost in sin  
'Cause it's not in our hearts

(chorus)  
(So why dont you) go your way  
And I'll go mine.  
Live your life  
And I'll live mine  
You'll do well  
And I'll be fine.  
'Cause we're better off, Separated

If love was a fire then we have lost the spark.  
Love never felt so cold  
If love was the light then we're lost in the dark  
Left with noone to hold  
If love was a sport we're not on the same team  
You and I are destined to lose  
If love was an ocean then we are just a stream  
'cause love isn't for me and you

(Why dont you) go your way,  
And I'll go mine.  
Live your life,  
And I'll live mine  
You'll do well,  
And I'll be fine.  
'Cause we're better off, Separated.

(bridge)  
Girl I know we've had some good times,  
It's sad but now we've got to say goodbye.  
Girl you know i loved you  
I can't deny.  
Cant say we didn't try to make it work for you and I.  
I know it hurts so much but its best for us,

Somewhere along this winding road we lost the trust.  
So walk away so you dont have to see me cry.  
Its killing me so, Why don't you go,

go your way,  
And I'll go mine.  
Live your life,  
And I'll live mine  
You'll do well  
And I'll be fine.  
'Cause we're better off,  
(so much better off)  
go your way  
And I'll go mine.  
Live your life  
And I'll live mine  
You'll do well  
And I'll be fine.  
'Cause we're better off,  
(so much better off)  
So much better off,  
separated.

(im sorry we didn't make it)
